

LANGLOIS LIBRARY CRIER

SUMMER 2024

Welcome!

You might be wondering why we decided to name ourselves the Crier. In medieval England, town criers were the chief means of communication with the townspeople in a time before the moveable type was invented. Royal proclamations, local bylaws, market days, advertisements, even selling loaves of sugar were all proclaimed by a bellman or crier throughout the centuries.

Many people decorated hands that were assembled into a dragon for the year of the dragon at the library.

We learned about how rappelling can be used in firefighting.

Tai Chi was discussed and demonstrated.

We celebrated our volunteers.

We replaced our 21 year old carpets.
